**Sponsorship Opportunities**

Esperanza Aquatics Booster Club is asking for your support for the 2017-2018 season for Boys' Water Polo, Girls Water Polo and Swim. Each year our EHSA athletes need program enhancements beyond the normal contributions (lane lines, timing systems, shaded seating, etc.). Partner up with Esperanza Aztecs as we head into a competitive season.

Esperanza's Aquatics Booster Club is a non-profit organization. Your donation may be tax deductible. Tax ID: EIN#46-3447167.

**All proceeds go directly to the Esperanza Aquatics Booster Club.**

**Gold: \$300 and up**

- 3x4 Banner
- Sponsorship logo displayed on the EHS Aquatics website in a revolving slide bar
- 2 tickets to one of the three banquets of your choice

**Cardinal: \$100-\$299**

- 8"x22" Banner
- Company names will be put on our Family and Friends Recognition Board

**All Banners will be displayed on the pool deck!**

## Aztec Athletic Department

2017-2018 School Year

Dear Parent:

As you are aware, the Placentia-Yorba Linda Unified School District has established transportation fees (Board Policy/Administrative regulation 6145.8) for those students who use the bus to travel for extra-curricular activities. The transportation fee is necessary to continue with our existing programs.

There has been much discussion about what the fees are to be and the following explains how they are established. There are two known transportation costs, cost for the bus itself and cost for the driver. These costs may vary between sports, based upon the distance traveled, frequency of events and the number of hours a bus remains at an activity. An example of this is the band participating at a field show in Palm Springs in which the bus departs at 7:00 a.m. and returns at 10:00 p.m. vs. the football team traveling to Foothill at 6:00 p.m. and returning at 10:00 p.m. Another example of varying costs is the number of events which require transportation. For example, baseball plays three rounds in our league and travels much more than cross country which participates in a single round.

The individual fee for a sport or activity was determined by taking the cost of transportation for a given activity and dividing that cost among the number of participants in the activity. This gave us the cost per student to pay for transportation. Please note that we have small teams travel together whenever possible, in the hope of filling each bus to near capacity, and use drop only buses to help minimize transportation costs.

The decision to ride the bus or find another source of transportation belongs to each family. The parents have the option of providing transportation for their son or daughter to each away event if they so choose as indicated on the online athletic registration, through FamilyID. If this option is used, the student **will not** be allowed to travel by bus with the team or group. I would encourage you to use the bus as it is the safest possible means of transportation for students, while helping to build group camaraderie.

Finally, before any student is cleared to participate in any of the co-curricular activities listed on the following page, they must complete the online athletic registration referenced above indicating their preferred method of transportation for their student.

**Please make checks payable to Esperanza High School and turn in as follows: Fall Transportation at Back to School Days (due 9/8), Winter (due 11/17) and Spring (due 2/16) turn in with student ID card to Cindy Campbell in the Finance office.**

If you have any questions about transportation fees, please feel free to call and I will discuss them with you.

Sincerely,

*Kenneth C. Fox*

Kenneth C. Fox, Ed.D.  
Principal
